Controls and Report

The Chief Investment Officer shall establish a system of internal controls and written operational procedures to prevent losses arising from fraud, employee error, misrepresentation by third parties, or imprudent employee action.

The Chief Investment Officer shall provide a quarterly investment report to the Board. The report will: (1) assess whether the investment portfolio is meeting the District's investment objectives, (2) identify each security by class or type, book value, income earned, and market value, (3) identify those institutions providing investment services to the District, and (4) include any other relevant information. The investment portfolio's performance shall be measured by appropriate and creditable industry standards for the investment type.

Educational Support Personnel

5:330 Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Full or part-time educational support personnel receive sick and bereavement leave benefits as outlined in their annual "Support Staff Salary Statement." Please refer to the applicable collective bargaining agreement(s) for the District's written plan allowing eligible employees to convert eligible accumulated sick leave to service credit upon an employee's retirement under the Illinois Municipal Retirement Fund.

Sick leave is defined in State law as personal illness, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, or placement for adoption. The Superintendent and/or designee shall monitor the use of sick leave.

As a condition for paying sick leave after 3 consecutive days of absence for personal illness or 30 days for birth or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) an advanced practice registered nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice registered [PRESSPlus1](#) nurse to perform health examinations, (4) a physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than 3 days for personal illness, the District shall pay the expenses incurred by the employee.

The use of paid sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Superintendent may require that the employee provide evidence that the formal adoption process is underway.

Vacation

Twelve-month employees shall be eligible for paid vacation days according to the following schedule:

| <u>Length of Employment</u> | <u>Monthly Accumulation</u> | <u>Maximum Vacation</u> | <u>Leave Earned Per Year</u> |
|-------------------------------------|-----------------------------|-------------------------|------------------------------|
| <u>From:</u> Beginning of year 2 | <u>To:</u> End of year 5 | 0.83 Days | 10 Days per year |
| Beginning of year 6 | End of year 15 | 1.25 Days | 15 Days per year |
| Beginning of year 16 | End of year | 1.67 Days | 20 Days per year |

Part-time employees who work at least half-time are entitled to vacation days on the same basis as full-time employees, but the pay will be based on the employee's average number of part-time hours per week during the last vacation accrual year. The Superintendent will determine the procedure for requesting vacation.

Vacation days earned in one fiscal year must be used by the end of the following fiscal year; they do not accumulate. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Holidays

Unless the District has a waiver or modification of the School Code pursuant to Section 2-3.25g or 24-2(b) allowing it to schedule school on a holiday listed below, District employees will not be required to work on:

- New Year's Day Labor Day
- Martin Luther King Jr.'s Birthday Columbus Day

| | |
|----------------------------|------------------|
| President's Day | Veteran's Day |
| Casimir Pulaski's Birthday | Thanksgiving Day |
| Memorial Day | Christmas Day |
| Independence Day | |

A holiday will not cause a deduction from an employee's time or compensation. The District may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Personal Leave

Full-time educational support personnel receive paid personal days as outlined in their annual "Support Staff Salary Statement." The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, a personal leave request should be submitted to the Building Principal 3 days before the requested date.
2. No personal leave day may be used immediately before or immediately after a holiday, or during the first and/or last 5 days of the school year, unless the Superintendent grants prior approval.
3. Personal leave may not be used in increments of less than one-half day.
4. Personal leave is subject to any necessary replacement's availability.
5. Personal leave may not be used on an in-service training day and/or institute training days.
6. Personal leave may not be used when the employee's absence would create an undue hardship.

Leave to Serve as a Trustee of the Illinois Municipal Retirement Fund

Upon request, the Board will grant 20 days of paid leave of absence per year to a trustee of the Ill. Municipal Retirement Fund in accordance with 105 ILCS 5/24-6.3.

6:15 School Accountability

According to the Illinois General Assembly, the primary purpose of schooling is the transmission of knowledge and culture through which students learn in areas necessary to their continuing development and entry into the world of work. To fulfill that purpose, the Ill. State Board of Education (ISBE) prepared State Goals for Learning with accompanying Illinois Learning Standards.

The School Board gives priority in the allocation of resources, including funds, time, personnel, and facilities, to fulfilling this purpose.

Quality Assurance

The Board continuously monitors student achievement and the quality of the District's work. The Superintendent shall supervise the following quality assurance components, in accordance with State law and ISBE rules, and continuously keep the Board informed:

1. Prepare each school's annual recognition application and quality assurance appraisal, whether internal or external, to assess each school's continuous school improvement.
2. Continuously assess the District's and each school's overall performance in terms of both academic success and equity. This includes, without limitation, a thorough analysis of ISBE's balanced accountability measure and each school's Multiple Measure Index and corresponding Annual Measurable Objective provided by ISBE.
3. If applicable, develop District and School Improvement Plans, present them for Board approval, and supervise their implementation.
4. Prepare a school report card, present it at a regular Board meeting, and disseminate it as provided in State law.
5. In accordance with [Sec. 105 ILCS 5/2-3.153 of the School Code](#), annually administer [at least biennially](#) a climate survey of [learning conditions](#) on the instructional environment within the school to, at minimum, students in grades [4](#) through 8 and teachers. [PRESSPlus1](#)

4:110 Transportation

The District shall provide free transportation for any student in the District who resides: (1) at a distance of one and one-half miles or more from his or her assigned school, unless the School Board has certified to the Illinois State Board of Education that adequate public transportation is available, or (2) if adequate public transportation is not available, within one and one-half miles from his or her assigned school where walking to or from [PRESSPlus1](#) school or to or from a pick-up point or bus stop would constitute a *serious safety hazard* due to either (a) vehicular traffic or rail crossing, ~~and adequate public transportation is not available,~~ or (b) a *course or pattern of criminal activity*, as defined in the Ill. Streetgang Terrorism Omnibus Prevention Act, 740 ILCS 147/. [PRESSPlus2](#) The District may provide transportation for other students residing within one and one-half miles from their assigned school. A student's parent(s)/guardian(s) may file a petition with the Board requesting transportation due to the existence of a serious safety hazard. Free transportation service and vehicle adaptation is provided for a special education student if included in the student's individualized educational program. The District may provide transportation to and from school-sponsored activities. Non-public school students shall be transported in accordance with State law. Homeless students shall be transported in accordance with Section 45/1-15 of the Education for Homeless Children Act. Unless the Superintendent or designee establishes new routes, pick-up and drop-off locations for students in day care must be along the District's regular routes. The District will not discriminate among types of locations where day care is provided, which may include the premises of licensed providers, relatives' homes, or neighbors' homes.

Bus schedules and routes shall be determined by the Superintendent and shall be altered only with the Superintendent's approval and direction. In setting the routes, the pick-up and discharge points should be as safe for students as possible.

No school employee may transport students in school or private vehicles unless authorized by the administration.

Every vehicle regularly used for the transportation of students must pass safety inspections in accordance with State law and Illinois Department of Transportation regulations. The strobe light on a school bus may be illuminated only when the bus is actually being used as a school bus and (1) is stopping or stopped for loading or discharging students on a highway outside an urban area, or (2) is bearing one or more students. The Superintendent shall implement procedures in accordance with State law for accepting comment calls about school bus driving.

All contracts for charter bus services must contain the clause prescribed by State law regarding criminal background checks for bus drivers.

Pre-Trip and Post-Trip Vehicle Inspection

The Superintendent or designee shall develop and implement a pre-trip and post-trip inspection procedure to ensure that the school bus driver: (1) tests the two-way radio or cellular radio telecommunication device and ensures that it is functioning properly before the bus is operated, and (2) walks to the rear of the bus before leaving the bus at the end of each route, work shift, or work day, to check the bus for children or other passengers in the bus.

PRESSPlus Comments

PRESSPlus 1. Updated for continuous improvement to incorporate the 10-year life safety survey requirement for school buildings. 105 ILCS 5/2-3.12 and 23 Ill.Admin.Code Part 180 contain the school building code and Health/Life and Safety Code for Public Schools (HLS Code), respectively. The board must hire a licensed architect or engineer to conduct a decennial inspection of its school buildings and produce a 10-year safety survey report, which is submitted to the Regional Superintendent (ROE) or Intermediate Service Center (ISC) and the State Superintendent for approval. The board must also report to the ROE or ISC annually on its completion of the report recommendations to comply with the HLS Code. 4:190 Targeted School Violence Prevention Program

New/Unpublished Section

Threats and acts of targeted school violence harm the District's environment and school community, diminishing students' ability to learn and a school's ability to educate. [PRESSPlus1](#) Providing students and staff with access to a safe and secure District environment is an important Board goal. While it is not possible for the District to completely eliminate threats in its environment, a Targeted School Violence Prevention Program (Program) using the collective efforts of local school officials, staff, students, families, and the community helps the District reduce these risks to its environment.

The Superintendent or designee shall develop and implement the Program. [PRESSPlus2](#) The Program oversees the maintenance of a District environment that is conducive to learning and working by identifying, assessing, classifying, responding to, and managing threats and acts of targeted school violence. The Program shall be part of the District's Comprehensive Safety and Security Plan, required by Board policy 4:170, *Safety*, and shall:

1. Establish a District-level School Violence Prevention Team to: (a) develop a District-level Targeted School Violence Prevention Plan, and (b) oversee the District's Building-level Threat Assessment Team(s). [PRESSPlus3](#)
2. Establish Building-level Threat Assessment Team(s) to assess and intervene with individuals whose behavior may pose a threat to safety. This team may serve one or more schools.
3. Comply with State and federal law and align with Board policies.

The Local Governmental and Governmental Employees Tort Immunity Act protects the District from liability. The Program does not: (1) replace the care of a physician licensed to practice medicine in all of its branches or a licensed medical practitioner or professional trained in violence prevention, assessments and counseling services, (2) extend beyond available resources within the District, (3) extend beyond the school day and/or school-sponsored events, or (4) guarantee or ensure the safety of students, District staff, or visitors. PRESSPlus Comments

PRESSPlus 1. This policy is optional. It contains items from *Threat Assessment in Virginia Public Schools: Model Policies, Procedures, and Guidelines*, Second Edition (August 2016), Virginia Center for School and Campus Safety, Virginia Dept. of Criminal Justice Services, at: www.dcjs.virginia.gov/sites/dcjs.virginia.gov/files/publications/law-enforcement/threat-assessment-model-policies-procedures-and-guidelinespdf.pdf. *Threat Assessment in Virginia Public Schools* is based upon a synthesis of established research and recognized standards of practice regarding threat assessment and management in school and workplace settings, including *Threat Assessment in Schools: A Guide to Managing Threatening Situations and to Creating Safe School Climates*, a 2002 publication of the U.S. Secret Service and the U.S. Dept. of Education, at: www.secretservice.gov/data/protection/ntac/ssi_guide.pdf.

Boards are authorized to adopt a policy on targeted school violence prevention programs even though State and federal law provide little guidance. Adopting a policy that addresses targeted school violence prevention provides (a) a way for boards to monitor that it is being done, and (b) an opportunity for each board and the superintendent to examine all current policies, collective bargaining agreements, and administrative procedures on this subject.

Before adoption of this policy, each board may want to have a conversation with the superintendent to determine whether local

conditions and resources and current practices will support full implementation of this policy and its accompanying administrative procedures. Its goals and program will be most effective when they reflect local conditions and circumstances. Please see the Issue 100 PRESS Update Memo for more information and for a complete listing of the accompanying sample procedures and exhibits for this policy. **Issue 100, February/March 2019**

PRESSPlus 2. Ensuring school safety begins with establishing a comprehensive targeted school violence prevention program, which “includes forming a multidisciplinary threat assessment team, establishing central reporting mechanisms, identifying behaviors of concern, defining the threshold for law enforcement intervention, identifying risk management strategies, promoting safe school climates, and providing training to stakeholders.” *Enhancing School Safety Using a Threat Assessment Model: An Operational Guide for Preventing Targeted School Violence*, published by the U.S. Secret Service, at: www.dhs.gov/sites/default/files/publications/18_0711_USSS_NTAC-Enhancing-School-Safety-Guide.pdf. **Issue 100, February/March 2019**

PRESSPlus 3. The establishment of threat assessment teams in K-12 public schools is Recommendation #1 of the *Recommendations of the Illinois Terrorism Task Force School Safety Working Group*, presented to the Office of the Governor on 4-5-18, at: www.iasb.com/safety/. Illinois higher education institutions have required threat assessment teams since the passage of the Campus Security Enhancement Act of 2008 (110 ILCS 12/20(b)(2), eff. 1-1-09) in response to the shootings that took place at Virginia Polytechnic Institute and State University on 4-16-07 and Northern Illinois University on 2-14-08. **Issue 100, February/March 2019**

PRESSPlus 4. **Consult the board attorney for guidance concerning liability in this area.** Except for cases of willful and wanton conduct, the Local Governmental and Governmental Employees Tort Immunity Act (TIA) likely protects districts from liability for failure to properly identify and/or respond to a student’s behavior that results in injury or suicide. See 745 ILCS 10/3-108 and *Grant v. Board of Trustees of Valley View School Dist. No. 365-U*, 286 Ill.App.3d 642 (3rd Dist. 1997). Every situation is fact specific, and the issues require careful evaluation. A disclaimer, such as the one presented here, may not be sufficient. A district may take several actions, after discussion with its board attorney, to minimize liability, such as adding limiting phrases and ensuring other policies are followed.

In addition to the TIA, school officials and districts may also be entitled to qualified immunity in civil rights lawsuits that seek to hold them liable for a suicide. For further discussion, see f/n 13 in policy 7:290, *Suicide and Depression Awareness and Prevention*. **Issue 100, February/March 2019**
