2:105 Ethics and Gift Ban

Prohibited Political Activity

The following precepts govern political activities being conducted by District employees and School Board members:

- 1. No employee shall intentionally perform any "political activity" during any "compensated time," as those terms are defined herein.
- 2. No Board member or employee shall intentionally use any District property or resources in connection with any political activity.
- 3. At no time shall any Board member or employee intentionally require any other Board member or employee to perform any political activity: (a) as part of that Board member's or employee's duties, (b) as a condition of employment, or (c) during any compensated time off, such as, holidays, vacation, or personal time off.
- 4. No Board member or employee shall be required at any time to participate in any political activity in consideration for that Board member or employee being awarded additional compensation or any benefit, whether in the form of a salary adjustment, bonus, compensatory time off, continued employment or otherwise; nor shall any Board member or employee be awarded additional compensition or any benefit in consideration for his or her participation in any political activity.

A Board member or employee may engage in any activity that: (1) is otherwise appropriate as part of his or her official duties, or (2) is undertaken by the individual on a voluntary basis that is not prohibited by this policy.

Limitations on Receiving Gifts PRESSPlus1

Except as permitted by this policy, no Board member or employee, and no spouse of or immediate family member living with a Board member or employee shall intentionally solicit or accept any "gift" from any "prohibited source," as those terms are defined herein, or that is otherwise prohibited by law or policy. No prohibited source shall intentionally offer or make a gift that violates this policy.

The following are exceptions to the ban on accepting gifts from a prohibited source:

- 1. Opportunities, benefits, and services that are available on the same conditions as for the general public.
- 2. Anything for which the Board member or employee, or his or her spouse or immediate family member, pays the fair market value.
- 3. Any: (a) contribution that is lawfully made under the Election Code, or (b) activities associated with a fund-raising event in support of a political organization or candidate.
- 4. Educational materials and missions.
- 5. Travel expenses for a meeting to discuss business.
- 6. A gift from a relative, meaning those people related to the individual as father, mother, son, daughter, brother, sister, uncle, aunt, great aunt, great uncle, first cousin, nephew, niece, husband, wife, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, half sister, and including the father, mother, grandfather, or grandmother of the individual's spouse and the individual's fiancé or fiancée.
- 7. Anything provided by an individual on the basis of a personal friendship unless the recipient has reason to believe that, under the circumstances, the gift was provided because of the official position or employment of the recipient or his or her spouse or immediate family member and not because of the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the recipient shall consider the circumstances under which the gift was offered, such as: (a) the history of the relationship between the individual giving the gift and the recipient of the gift, including any previous exchange of gifts between those individuals; (b) whether to the actual knowledge of the recipient the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift; and (c) whether to the actual knowledge of the recipient the individual who gave the gift also at the same time gave the same or similar gifts to other Board members or employees, or their spouses or immediate family members.
- 8. Food or refreshments not exceeding \$75 per person in value on a single calendar day; provided that the food or refreshments are: (a) consumed on the premises from which they were purchased or prepared; or (b) catered. "Catered" means food or refreshments that are purchased ready to consume which are delivered by any means.
- 9. Food, refreshments, lodging, transportation, and other benefits resulting from outside business or employment activities

(or outside activities that are not connected to the official duties of a Board member or employee), if the benefits have not been offered or enhanced because of the official position or employment of the Board member or employee, and are customarily provided to others in similar circumstances.

- 10. Intra-governmental and inter-governmental gifts. "Intra-governmental gift" means any gift given to a Board member or employee from another Board member or employee, and "inter-governmental gift" means any gift given to a Board member or employee from an officer or employee of another governmental entity.
- 11. Bequests, inheritances, and other transfers at death.
- Any item or items from any one prohibited source during any calendar year having a cumulative total value of less than \$100.

Each of the listed exceptions is mutually exclusive and independent of every other.

A Board member or employee, his or her spouse or an immediate family member living with the Board member or employee, does not violate this policy if the recipient promptly takes reasonable action to return a gift from a prohibited source to its source or gives the gift or an amount equal to its value to an appropriate charity that is exempt from income taxation under Section 501(c)(3) of the Internal Revenue Code.

Enforcement

The Board President and Superintendent shall seek guidance from the Board attorney concerning compliance with and enforcement of this policy and State ethics laws.

PRESSPlus Comments

PRESSPlus 1. This policy is unchanged. A footnote is updated in response to 30 ILCS 708/, the Grant Accountability Transparency Act (GATA) and federal procurement standards, and the text is provided here for informational purposes.

5 ILCS 430/10-10 through 10-30 (Gift Ban); 30 ILCS 708/ (Grant Accountability Transparency Act (GATA)); and 2 C.F.R. §200.318(c)(1)(uniform federal procurement standards prohibit board members from soliciting or accepting gratuities, favors, or anything of monetary value from contractor performing work under a contract supported by a federal grant award). GATA adopts the uniform federal rules for State agencies' administration of eligible State and federal grants.

Generally, 2 C.F.R. §200.318(c)(1) prohibits employees, officers, or agents of a school district from participating in the selection, award, or administration of a contract supported by a federal award if they have a real or apparent *conflict of interest*. For more discussion on conflict of interest, see sample policy 2:100, *Board Member Conflict of Interest*. Specifically, 2 C.F.R. §200.318(c)(1) requires school districts to "set standards for situations in which the gift is an unsolicited item of nominal value (*standards*)," along with "disciplinary actions to be applied for violations (*disciplinary actions*)" without defining *nominal value*.

To avoid confusion and because 2 C.F.R. §200.318(c)(1) provides flexibility to school boards regarding setting *standards* and *disciplinary actions*, sample policy 2:100, *Board Member Conflict of Interest*, refers to this sample policy's subheads: Limitations on Receiving Gifts in the Ethics Act at 5 ILCS 430/10-10 – 10-30 (for the federal regulation's *standards*), and Enforcement at 5 ILCS 430/50-5 (discussing the specific penalties available under the III. Ethics Act for the federal regulation's *disciplinary actions*).

If a board wishes to develop further standards and disciplinary actions than the Gift Ban section of the SOEEA requires, consult the board attorney.

4:140 Waiver of Student Fees

The Superintendent will recommend to the Board of Education a schedule of fees, if any, to be charged students for the use of textbooks, consumable materials, extracurricular activities, and other school student fees. Students must also pay for the loss of or damage to school books or other school-owned materials.

All school student fees as defined by the Illinois State Board of Education (ISBE) are waived for students who meet the eligibility criteria for a fee waiver contained in this policy. Students receiving a fee waiver are not exempt from charges for lost and damaged books, locks, materials, supplies, and equipment.

Notification

The Superintendent shall ensure that applications for fee waivers are widely available and distributed according to State law and ISBE rule and that provisions for assisting parents/guardians in completing the application are available.

Eligibility Criteria

A student shall be eligible for a fee waiver when the student currently lives in a household that meets the same income guidelines, with the same limits based on household size, that are used for the federal free meals program.

The Superintendent or designee will give additional consideration where one or more of the following factors are present:

- Illness in the family;
- Unusual expenses such as fire, flood, storm damage, etc.;
- Unemployment;
- Emergency situations;
- When one or more of the parents/guardians are involved in a work stoppage.

Verification

The Superintendent or designee must follow the verification requirements of 7 C.F.R. 245.6a when using the free lunch or breakfast eligibility guidelines pursuant to The National School Lunch Act as the basis for waiver of the student's fee(s).

Determination and Appeal

Within 30 calendar days after the receipt of a waiver request, the Superintendent or designee shall mail a notice to the parent/guardian whenever a waiver request is denied. The denial notice shall include: (1) the reason for the denial, (2) the process and timelines for making an appeal, and (3) a statement that the parent/guardian may reapply for a waiver any time during the school year if circumstances change. If the denial is appealed, the District shall follow the procedures for the resolution of appeals as provided in the Illinois State Board of Education rule on waiver of fees.

6:10 Educational Philosophy and Objectives

The District's educational program will seek to provide an opportunity for each student to develop to his or her maximum potential. The objectives for the educational program are to:

- 1. Foster students' self-discovery, self-awareness, and self-discipline.
- 2. Develop students' awareness of and appreciation for cultural diversity.
- 3. Stimulate students' intellectual curiosity and growth.
- 4. Provide students with fundamental career concepts and skills.
- 5. Help students develop sensitivity to the needs and values of others and a respect for individual and group differences.

- 7. Encourage students to become life long learners.
- 8. Provide an educational climate and culture free of bias concerning the protected classifications identified in policy 7:10, *Equal Educational Opportunities*.

In order for the School Board to monitor whether the educational program is attaining these objectives and to be knowledgeable of current and future resource needs, the Superintendent shall prepare an annual report that includes:

- 1. A review and evaluation of the present curriculum.
- 2. A projection of curriculum and resource needs.
- 3. An evaluation of, and plan to eliminate, any bias in the curriculum or instructional materials and methods concerning the classifications referred to in item 8, above.

6:30 Organization of Instruction

The School District has instructional levels for grades Kindergarten through 8. In addition, the District, in conjunction with surrounding school districts, provides a "Little Learners" program, housed at Oak Valley School in Laraway School District, for children ages 3-5 who are identified through a screening program to be at risk of academic failure. The Superintendent shall annually present to the School Board a plan for organizing instructional levels and assigning them to school facilities in order to:

- 1. Support the District's educational program,
- 2. Maximize facility usage without undue overcrowding, and
- 3. Provide substantially comparable instructional programs across the District.

Students, for instructional purposes, may be placed in groups within a school that do not necessarily follow grade level designations. For purposes of attendance reporting and other records, however, each student is assigned a grade-level placement.

Kindergarten

The District maintains a full-day kindergarten with an instructional program that fulfills the District's curriculum goals and objectives and the requirements of the State law. The District also offers a half-day kindergarten for those parents/guardians who request a half-day program.

6:120 Education of Children with Disabilities

The School District shall provide a free appropriate public education in the least restrictive environment and necessary related services to all children with disabilities enrolled in the District, as required by the Individuals With Disabilities Education Act (IDEA) and implementing provisions of the School Code, Section 504 of the Rehabilitation Act of 1973, and the Americans With Disabilities Act. The term "children with disabilities," as used in this policy, means children between ages 3 and 15 (inclusive) for whom it is determined, through definitions and procedures described in the Illinois State Board of Education's *Special Education* rules, that special education services are needed.

It is the intent of the District to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated, and provided with appropriate educational services. Students may be disabled within the meaning of Section 504 of the Rehabilitation Act even though they do not require services pursuant to the IDEA.

For students eligible for services under IDEA, the District shall follow procedures for identification, evaluation, placement, and delivery of services to children with disabilities provided in the Illinois State Board of Education's *Special Education* rules. For those students who are not eligible for services under IDEA, but, because of disability as defined by Section 504 of the Rehabilitation Act of 1973, need or are believed to need special instruction or related services, the District shall establish and implement a system of procedural safeguards. The safeguards shall cover students' identification, evaluation, and educational placement. This system shall include notice, an opportunity for the student's parent(s)/guardian(s) to examine relevant records, an impartial hearing with opportunity for participation by the student's parent(s)/guardian(s), representation by counsel, and a review procedure.

The District may maintain membership in one or more cooperative associations of school districts that shall assist the District in fulfilling its obligations to the District's disabled students.

They do not include field trips, homework, or occasional work required outside the school day for a scheduled class. "Co-curricular activity" refers to an activity associated with the curriculum in a regular classroom and is generally required for class credit. "Extracurricular activity" refers to an activity that is not part of the curriculum, is not graded, does not offer credit, and does not take place during classroom time; it includes competitive interscholastic activities and clubs.

The Superintendent must approve an activity in order for it to be considered a District-sponsored extracurricular or co-curricular activity, using the following criteria:

- 2. Fees assessed students are reasonable and do not exceed the actual cost of operation.
- 3. The District has sufficient financial resources for the activity.
- 4. Requests from students.

All expenditures from these bank accounts must be directly related to the purpose for which the account was established and supported with documentation, including signed invoices or receipts. All deposits into these bank accounts must be accompanied with a clear description of their intended purpose. The Superintendent or designee shall include checks written to reimburse revolving funds on the Board's monthly listing of bills indicating the recipient and including an explanation.

Control Requirements for Checks

The Board must approve all bank accounts opened or established in the District's or a District school's name or with the District's Federal Employer Identification Number. All checks issued by the School District must be signed by either the

The Superintendent or designee shall annually audit the District's financial and business operations for compliance with established internal controls and provide the results to the Board. Field trips are permissible when the experiences are a part of the school curriculum and/or contribute to the District's educational objectives.

All field trips must have the Superintendent or designee's prior approval, except that field trips beyond a 200-mile radius of the school or extending overnight must have the prior approval of the School Board. The Superintendent or designee shall analyze the following factors to determine whether to approve a field trip: educational value, student safety, parent concerns, heightened security alerts, and liability concerns. On all field trips, a bus fee set by the Superintendent or designee may be charged to help defray the transportation costs.

Parents/guardians of students: (1) shall be given the opportunity to consent to their child's participation in any field trip; and (2) are responsible for all entrance fees, food, lodging, or other costs, except that the District will pay such costs for students who qualify for a fee waiver under Board policy 4:140, *Waiver of Student Fees* free or reduced school Hunches. PRESSPlus1 All non-participating students shall be provided an alternative experience. Any field trip may be cancelled without notice due to an unforeseen event or condition.

Privately arranged trips, including those led by District staff members, shall not be represented as or construed to be sponsored by the District or school. The District does not provide liability protection for privately arranged trips and is not responsible for any damages arising from them.

Recreational Class Trips

Recreational class trips for the 8th grade are permissible provided they do not interfere with the District's educational goals. The provisions in this policy concerning field trips are also applicable to recreational class trips, except those regarding educational value.

STUDENTS

7:50 School Admissions and Student Transfers To and From Non-District Schools

<u>Age</u>

To be eligible for admission, a child must be 5 years old on or before September 1 of that school term. Based upon an assessment of a child's readiness to attend school, the District may permit him or her to attend school prior to these dates. PRESSPlus1 A child will also be allowed to attend first grade based upon an assessment of his or her readiness if he or she attended a non-public preschool, continued his or her education at that school through kindergarten, was taught in kindergarten by an appropriately licensed teacher, and will be 6 years old on or before December 31. A child with exceptional needs who qualifies for special education services is eligible for admission at 3 years of age. Early entrance to kindergarten or first grade may also be available through Board policy 6:135, Accelerated Placement Program. PRESSPLus2

Parents/guardians may request early admission for a child. The Superintendent or designee shall assess the child's readiness to attend school and make the decision accordingly. PRESSPlus3

Admission Procedure

All students must register and provide residency, as required by Board policy 7:60 *Residence*, for school each year on the dates and at the place designated by the Superintendent.

Parents/guardians of students enrolling in the District for the first time must present:

- 1. A certified copy of the student's birth certificate. If a birth certificate is not presented, the Superintendent or designee shall notify in writing the person enrolling the student that within 30 days he or she must provide a certified copy of the student's birth certificate. A student will be enrolled without a birth certificate. When a certified copy of the birth certificate is presented, the school shall promptly make a copy for its records, place the copy in the student's temporary permanent PRESSPlus4 record, and return the original certified copy to the person enrolling the child. If a person enrolling a student fails to provide a certified copy of the student's birth certificate, the Building Principal shall immediately notify the local law enforcement agency and shall also notify the person enrolling the student in writing that, unless he or she complies within 10 days, the case shall be referred to the local law enforcement authority for investigation. If compliance is not obtained within that 10-day period, the Principal shall so refer the case. The Principal shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content.
- 2. Proof of disease immunization or detection and the required physical examination, as required by State law and Board policy 7:100, *Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students.*

The individual enrolling a student shall be given the opportunity to voluntarily state whether the student has a parent or guardian who is a member of a branch of the U.S. Armed Forces and who is either deployed to active duty or expects to be deployed to active duty during the school year. Students who are children of active duty military personnel transferring will be allowed to enter: (a) the same grade level in which they studied at the school from which they transferred, if the transfer occurs during the District's school year, or (b) the grade level following the last grade completed.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.

Foster Care Students

The Superintendent will appoint at least one employee to act as a liaison to facilitate the enrollment and transfer of records of students in the legal custody of the Illinois Department of Children and Family Services when enrolling in or changing schools.

Student Transfers To and From Non-District Schools

A student may transfer into or out of the District according to State law and procedures developed by the Superintendent or designee. A student seeking to transfer into the District must serve the entire term of any suspension or expulsion, imposed for any reason by any public or private school, in this or any other state, before being admitted into the School District.

See **Comment PRESSPlus 3** in NEW policy 6:135, *Accelerated Placement Program* for a discussion about reconciling the APA and 105 ILCS 5/10-20.12. **Consult the board attorney for guidance.** Districts should consider implementing specific and objective criteria for early admissions and address such issues as who pays the costs for assessments, etc. Using this exception defeats the age requirement rules because it only relies upon a child's readiness, regardless of his or her age. **Issue 98, May/June 2018**

6:135 Accelerated Placement Program

New/Unpublished Section

The District provides an Accelerated Placement Program (APP).^{PRESSPlus1} The APP advances the District's goal of providing educational programs with opportunities for each student to develop to his or her maximum potential.^{PRESSPlus2} The APP provides an educational setting with curriculum options usually reserved for students who are older or in higher grades than the student participating in the APP. APP options include, but may not be limited to: (a) accelerating a student in a single subject; (b) other grade-level acceleration; and (c) early entrance to kindergarten or first grade.^{PRESSPlus3} Participation in the APP is open to all students who demonstrate high ability and who may benefit from accelerated placement. It is not limited to students who have been identified as gifted and talented. Eligibility to participate in the District's APP shall not be conditioned upon the protected classifications identified in Board policy 7:10, *Equal Educational Opportunities*, or any factor other than the student's identification as an accelerated learner.

The Superintendent or designee shall implement an APP that includes:

- Decision-making processes that are fair, equitable, and involve multiple individuals, e.g. District administrators, teachers, and school support personnel, and a student's parent(s)/guardian(s); <u>PRESSPlus4</u>
- 2. Notification processes that notify a student's parent(s)/guardian(s) of a decision affecting a student's participation in the APP; and
- 3. Assessment processes that include multiple valid, reliable indicators.

The Superintendent or designee shall annually notify the community, parent(s)/guardian(s), students, and school personnel about the APP, the process for referring a student for possible evaluation for accelerated placement, and the methods used to determine whether a student is eligible for accelerated placement. <u>PRESSPlus5</u> Notification may: (a) include varied communication methods, such as student handbooks and District or school websites; and (b) be provided in multiple languages, as appropriate. <u>PRESSPlus6</u>

PRESSPlus 1. State law requires this subject matter to be covered by policy and controls its content. 105 ILCS 5/14A, amended by P.A. 100-421, eff. 7-1-18 (the Accelerated Placement Act (APA)). See the footnotes available at PRESS Online for more information. **Issue 98, May/June 2018**

PRESSPlus 3. Attorneys disagree whether the APA conflicts with 105 ILCS 5/10-20.12 The APA requires accelerated placement to include early entrance to kindergarten and early entrance to first grade. 105 ILCS 5/10-20.12 *permits* districts to offer early entrance to kindergarten or first grade "based upon an assessment of the student's readiness to attend school." 105 ILCS 5/10-20.12 also states that students may enter first grade early when they: (1) are assessed for readiness; (2) have attended a non-public preschool and continued their education at that school through kindergarten; (3) were taught in kindergarten by an appropriately certified teacher; and (4) will attain the age of 6 years on or before December 31. See also policy 7:50, *School Admissions and Student Transfers To and From Non-District Schools.* **Consult the board attorney for guidance. Issue 98, May/June 2018**

PRESSPlus 4. 105 ILCS 5/14A-32(a)(2), added by P.A. 100-421, eff. 7-1-18, requires that the accelerated placement policy include "a fair and equitable decision-making process that involves multiple persons and includes a student's parents or guardians" but does not specify what individuals are to be involved or limit those individuals to district employees. Amend this

listing to align with the local board's preference. If edits are adopted, select **Adopted with Additional District Edits** as the Save Status, and edit as adopted by the Board. **Issue 98, May/June 2018**

PRESSPlus 5. Optional. 105 ILCS 5/14A-32(b)(1) permits, but does not require "procedures for annually informing the community at-large, including parents or guardians, about the accelerated placement program and the methods used for the identification of children eligible for accelerated placement." If edits are adopted, select **Adopted with Additional District Edits** as the Save Status, and edit as adopted by the Board. **Issue 98, May/June 2018**

PRESSPlus 6. Optional. 105 ILCS 5/14A does not require this, but it is a recommended best practice and aligns with sample policy 7:10, *Equal Educational Opportunities*. If edits are adopted, select **Adopted with Additional District Edits** as the Save Status, and edit as adopted by the Board. **Issue 98, May/June 2018**
