Remote Learning Instructions:
August 10, 2020

Dear Parents/Guardians,

You have chosen Remote Learning for your student(s) for the first trimester of school (ends November 13, 2020). Attached to this email are instructions for the students on how to sign in daily to have face time with their teacher(s) and the time they will be online. If your student can't be on at that time, they are still responsible for all work. Students can email teachers questions and the teacher will reply as soon as possible. If their work isn't turned in or if they haven't checked in daily, they will be marked absent.

Students can find lesson plans for each day on the school website (www.union81.com) on their grade level teacher's individual page:

Please don't hesitate to contact me if you have any questions.
